Dedication

As we look back to 1961 when we, the Seniors of 1965, entered Belvoir-Falkland High School as Freshmen, we pause a moment to evaluate the past four years. In doing this, we remember one person who has had patience and kindness with us. She has done her best to make us worthy of our school. In showing our appreciation, we with deep gratitude and friendship, dedicate this, our yearbook, to you, Mrs. Lucille Mayo.

Principal

Principal's Message

Another hurdle in life has been overcome. I hope you will continue to meet the challenges of life with the interest, desire and determination you have shown while at Belvoir-Falkland.

The world is changing and becoming more complex every day making the need for advanced education more important than ever. You have prepared for yourself a basic foundation upon which you can build your life to meet our uncertain future.

I know you will always strive to do your best to make your community and the world a better place in which to live. May God guide and protect you in your efforts toward a happy and successful future.
